Teachers Refresher Course – One Day

Please find to follow details of the **Trampolining – Teachers Refresher Course**. This is for teachers who have already gained the Teachers Trampolining Award Part 1 or Part 1 & 2 (each 2 day courses) and now need to refresh their current practice. To avoid any confusion surrounding eligibility to attend the Refresher course delegates will be asked to provide evidence that they have passed a British Gymnastics Teachers Trampoline Part 1 or Part 1 & 2 qualification or equivalent before being accepted onto the course. Those who do attend the course will receive a certificate from British Gymnastics as evidence of their attendance.

Delegates need to be aware that the course involves a large amount of practical work so suitable kit is required – delegates must ensure they wear non slip socks not football/rugby socks. The course will cover skills from both Part 1 and Part 2 syllabus but unlike the Part 2 course there is no written exam as part of the Refresher. Please note this course is not on offer to PGCE or GTP trainees, only those with QTS. It is advisable for delegates to take lunch, extra drinks and snacks in line with their own requirements.

Delegates are reminded to make sure they bring their personal Dfes number (Teacher Reference number) with them on the day.

If you would like to attend this 1 day course please complete and return the application request form, either by using the online booking form or the printable booking form available from our website. Places will be allocated on a first come first served basis and confirmed in writing by e-mail. Delegate confirmations will provide full event details including dates, times and venue information. Please be aware there are **only 15 places** available for each course so prompt booking is recommended. An invoice for £150.00 will be raised so please ensure invoicing details are correct and provided in full including the purchase order number.

Having completed the course delegates will receive a certificate and are reminded to keep these safe as they can be used as evidence to confirm their eligibility to attend future courses.
